

METROPOLITAN WATER RECLAMATION DISTRICT OF GREATER CHICAGO
SEWERAGE SYSTEM PERMIT AND
SEWER CONNECTION AUTHORIZATION APPLICATION FEES

The following MWRD permit fee schedule is in effect as of January 1, 2003:

Revisions to existing Sewerage System Permits	\$250
Sewerage System Permit	
1. Base fee	\$1,100
2. Sewer Installation fee	\$5.00 per lineal foot of sewer
(Residential service lines – one per dwelling unit – are exempt from the footage fee.)	
Sewer Connection Authorization (for City of Chicago)	\$500
Sewer Replacement Notification and Request for Inspection (NRI)	\$100
(For sewer replacements/rehabilitation. Also for new service lines less than 25 feet in length to an existing sewer building or new building addition with less than 5 acres separate sewer area total contiguous ownership.)	

A completed *MWRD Fee Voucher* together with fee payment in the form of a corporate check, cashier's check, certified check, or money order must accompany permit application submittals (cash and personal checks will not be accepted). Two copies of the required *Fee Voucher* must be submitted. Alternatively, a triplicate version of the Fee Voucher form is available through the MWRD Local Sewer Systems Section, 111 E. Erie Street, Chicago, Illinois 60611, or by calling 312-751-3255.

Note that permits for government facilities provided for public purpose or use are in most cases exempt from permit application fees.
