Field Day | Tuesday, July 16

Location 15779 County Road 5, Cuba, IL 61427
Start time 11:00am
FREE Lunch 11:30am-12:30pm
Tour 12:30 - 2:00pm

PARTNERS IN PROGRESS

Come hear how leaders in the wastewater treatment, agriculture, and scientific research communities are working individually and together to improve water quality. Listen to group discussions about the benefits of new best management practices that farmers can implement on their farms.

- Cover Crop Inter-Seeding
- Denitrifying Bioreactor Improvements
- Drainage Water Management
- Multipurpose Riparian Grass Buffer

RSVP to Fulton County Farm Bureau at 309-547-3011 or fultonfb@att.net
